STATUS REPORT

The parties, through their respective counsel, pursuant to its order requiring a status report on this date, can advise the Court that a settlement agreement has been reached in principle which resolves all pending litigation among the parties in this case and related cases.

Draft settlement documents are being circulated and, barring any unforeseen complications, the parties expect to be able to circulate the closing report and/or a stipulation for dismissal within the next thirty days.

Accordingly, the parties request that they be allowed thirty days in which to conclude this contemplated transaction. Within that time frame, the parties will either file a stipulation for dismissal or an updated status report.
